## UNINTERRUPTED LEARNING

When the Covid-19 pandemic outbreak forced schools and colleges to shut down in March 2020, the teaching staff and the management of Kingston Educational Institute turned the seemingly difficult challenges into opportunities by using their expertise in integrating technology in the teaching-learning process. They used a wide array of digital tools such as Microsoft Teams to introduce an innovative online learning solution for all classes.

## PRACTICE TEACHING

- Kingston Teachers' Training College provides practice teaching classes to their students which they implement when they undergo internships in various schools affiliated to West Bengal Council of Higher Secondary Education (WBSHSE), The Central Board of Secondary Education (CBSE), and The Indian Certificate of Secondary Education (ICSE).
- Kingston Teachers' Training College thrives to provide the utmost knowledge to the students. Even during pandemic, the students kept on practicing with the help of MS-Teams without any barrier.
- We also provide placement support to our students and alumnus.
