LEADERSHIP CONVULATE 2023

UNINTERRUPTED LEARNING

When the Covid-19 pandemic outbreak forced schools and colleges to shut down in March 2020, the teaching staff and the management of Kingston Educational Institute turned the seemingly difficult challenges into opportunities by using their expertise in integrating technology in the teaching-learning process. They used a wide array of digital tools such as Microsoft Teams to introduce an innovative online learning solution for all classes.

Microsoft 365
