UNINTERRUPTED LEARNING

When the Covid-19 pandemic outbreak forced schools and colleges to shut down in March 2020, the teaching staff and the management of Kingston Educational Institute turned the seemingly difficult challenges into opportunities by using their expertise in integrating technology in the teaching-learning process. They used a wide array of digital tools such as Microsoft Teams to introduce an innovative online learning solution for all classes.

TRAINING AND PLACEMENT

Students are groomed through various technical and non-technical training sessions, group discussions, workshops, seminars, hard skills & soft skills and personality development programmes to make them market ready. In this process strength & weakness of each and every student are brought into limelight so that they are rectified in due course. The Training and Placement Department of Kingston Educational Institute has tie-up with several organizations and companies for training and placement purposes.

OUR EVENTS

Apart from conventional education, our institution organizes various student centric events like Kingstoxication, Run for Education - Helath, Basanta Utsav and Rannabazi.

INTERNATIONAL TOUR

KEI sponsored an Educational and Cultural Tour for its students to Indonesian Universities namely Universitas Airlangga & Universitas of Lampung Province.
